Hi Karen,

Here are the Navy's response to the Site 28 ROD comments.

Also, for the 2010 FOST the Navy has mentioned that they would like to have a meeting early next week to talk about comments (they have yet to send a meeting time/place or more details). They hope to get a sense for the comments because the schedule is so tight on this document. I will keep you posted on this meeting.

Thank you,
Melinda

Subject: Site 28 - RTCs for iROD

Hello All - Please find attached the RTCs for the Draft "Record of Decision, Installation Restoration Site 28, West Side On-Off Ramps, Naval Station Treasure Island." I have also included a copy of the Public Trust Doctrine referenced in response to an EPA comment. Please review and contact me if you have any questions. We need to finalize the ROD and coordinate signatures with the BCT so I would appreciate your input by Wednesday, October 27 at the latest.

Regards,

Tony K.
